Dear Sir,

This letter has only a distant relation  
to the discussion that is accentuated by the Wilkie  
letter; & is written in the hope of securing the co-  
operation of the University in an effort to promote  
propaganda for the war, & to make the most  
of it as a welder of our peoples into a  
Canadian-Britannic nationality, on larger  
lines than are suggested by some of the attacks  
upon yourself.

May I hope that you will feel  
able to give me an early interview, as the first  
number of 'The Canadian War' should be out  
next week. My telephone number is as above

Yours

Arthur Hawkes.

A. Hawkes, Esq.,

30 - 32 Church Street,

Toronto.

Dear Mr. Hawkes:

Yesterday I received from Miss Merrill an invitation to be present at the dinner that is to be held next Tuesday evening at Dunning's Hotel. I regret that I shall be unable to be present, as that evening we are giving at the University a dinner to the members of the University who are on the point of leaving for the front with the second contingent, and I must be present at it.

Yours sincerely,

President.
